b. Front Yards. At least 50 percent of any required front yard shall be landscaped.

c. Building Design.

i. Rooflines on any side of a structure exceeding 30 feet in length shall be broken into smaller sections by use of decorative elements such as dormers, gables, eyebrows, parapets, mansards, or other design features deemed appropriate by the director.

Attached garages and other attached non-living areas shall be included in computing the floor area of the first story.

d. Modification of Development Standards.

i. The director may permit modifications to the development standards set forth in subsections D.2.a and D.2.b provided that an applicant demonstrates to the satisfaction of the director all of the following:

(A) The application of the standards for which modification is sought would result in practical difficulties or unnecessary hardships;

(B) There are exceptional circumstances or conditions applicable to the subject property or to the intended development of the subject property that do not apply to other properties within the area governed by the Community Standards District; and

(C) That granting the requested modification will not be materially detrimental to properties or improvements in the area or contrary to the purpose of this Community Standards District or the Altadena Community Plan.

ii. Application. The procedure for filing a request for modification shall be the same as that for director's review as set forth in Part 12 of Chapter 22.56, except that the applicant shall also submit:

(A) A list, certified to be correct by affidavit or statement under penalty of perjury, of the names and addresses of all persons who are shown on the latest available assessment roll of the county of Los Angeles as owners of the subject property, and as owning property within 500 feet from the exterior boundaries of the subject property;

iii. Notice. Not less than 30 calendar days prior to the date an action is taken, the director shall send a notice by certified mail of the pending application to the Altadena Town Council and the property owners on the list provided

by the applicant pursuant to subsection d.ii.A, indicating that the town council or any such property owner may oppose the granting of such modification by filing with the director a written protest described in subsection d.iv, within 14 calendar days from the date of the notice.

iv. Written protests. Written protests will be accepted only from those persons notified pursuant to subsection d.iii, and shall demonstrate how the application for a modification fails to meet the burden of proof in subsection d.i, and Section 22.56.1690. Those written protests submitted by different co-owners of the same lot or parcel of land shall be deemed one written protest; those written protests submitted by different members of the Altadena Town Council on behalf of the town council shall also be deemed one written protest.

v. Decision.

(A) The director shall approve an application for a modification where not more than two written protests are received pursuant to subsection d.iv, where the application complies with Section 22.56.1690, and where the director determines that the application has satisfactorily demonstrated the matters required by subsection d.i. If the director approves the application, the director shall send notice by certified mail to the applicant, the town council, and all of the property owners identified in subsection d.ii.A.

(B) If three or more written protests are received pursuant to subsection d.iv, or the director determines that the application does not comply with Section 22.56.1690, or the application has not satisfactorily demonstrated

the matters required by subsection d.i, the application shall be denied. If the director denies the application for any reason, including the reason that three or more written protests have been received, the director shall send notice of the decision by certified mail to the applicant, the Altadena Town Council, and the property owners identified in subsection d.ii.A. The notice shall indicate that the applicant may file an appeal within 14 calendar days of the date on the notice with a request for a public hearing before the hearing officer.

vi. Appeal. If the applicant files an appeal, the appeal shall be scheduled for a public hearing before a hearing officer. The applicant shall pay the additional fee for a public hearing set forth in Section 22.60.100 under Site Plan Review, Director's Review for Modification of Development Standards in a Community Standards District. All procedures related to the appeal and the public hearing shall be the same as those for a conditional use permit, except as set forth in subsection d.vii.

vii. Hearing officer decision. The hearing officer shall approve or deny the application pursuant to the principles and standards of Section 22.56.090. The decision of the hearing officer shall become effective on the date of the decision and shall not be subject to further administrative appeal.
